Asuncion International Fair, 12 October 1955

REFERENCE: RL-F-161, 2 August 1955

Should the Satellite countries mentioned in the memorandum acquire display space at the Asuncion Fair, this office would be interested in the following information:

1. What is the size of the display space in terms of square feet?
2. What types of commodities are being displayed?
3. Are additional advertising activities being conducted, i.e. newspaper advertising, etc., to supplement the display?
4. What is the volume of contracts signed, dollarwise, who are the contracting parties and what commodities are involved?
